## Portability, Flexibility and Safety – All In One! Introducing **MAXAM 1** Portable Bleachers

The next generation in portable bleacher seating is MAXAM 1™. Designed to be the safest and most comfortable portable bleachers available, MAXAM 1™ Portable Bleachers quickly bring the safety, comfort and durability of large gym bleacher systems to nearly any spot on your facility's campus.

**One person.** MAXAM 1™ Portable Bleachers are designed for quick & easy one-person transport and one-person operation. Hussey's legendary attention to detail means MAXAM 1™ was created with your environment in mind – whether that means fitting through tight doorways and onto elevators, or providing the safest portable bleacher system to own and operate.

**One design.** As the first – and only – closed deck portable bleachers to offer ergonomically contoured polymer seats, MAXAM 1™ delivers unmatched comfort. MAXAM 1™ Portable Bleachers aesthetically match our MAXAM telescopic bleachers for a seamless gymnasium appearance. Easily pump up the spirit with our customization options; you can even choose the decking material that works best for you.

**Get the one changing the game.** Take the great quality and durability of MAXAM anywhere you want to go – our tough yet lightweight aluminum frame means you can use MAXAM 1™ virtually anywhere\*. Take your seating from courtside to rink-side, indoor pool to cafeteria, auditorium stage to meeting room with a new level of ease, safety and comfort backed by a best-in-class 5-year manufacturer's warranty.

**One simple move.** Designed to fit through common doorways, MAXAM 1™ Portable Bleachers' multi-directional casters make it easy to move. No more courtside anymore – take MAXAM 1™ to the common freight elevators or large cap floor to floor.

## Engineered for Easy Use Facility-Wide.

**One minute – one person.** We engineered MAXAM 1™ Portable Bleachers to be operated by a single person. Just extend each of the traction arms, tip the unit, give it a gentle push to lock it down, and it is ready to go. Gas struts provide a controlled descent and lift assistance to ensure easy operation. No more waiting for a crew or scheduling extra labor – just keep saving labor time and cost for the entire life of your seats.

**One answer – anywhere.** MAXAM 1™ Portable Bleachers are perfect for colleges, fitness clubs, retail & corporate offices, sports fields and playgrounds. Handle them together. You can even use it outdoors outside the gym!

## Get Seating with More Safety and Comfort.

**One safe solution— anywhere, anytime!** Safe seating is our first priority as well as yours. MAXAM 1™ sets a new standard for tip & roll bleachers by featuring a closed deck design to eliminate fore to aft openings and actively prevent foot slip-through injuries. Choose from classic wood decking or slip-resistant Polydeck in several colors. The gas strut controlled descent and lift assistance prevents back injuries and limit liability.

**One comfortable solution.** Comfortable portable bleachers are no longer a dream with MAXAM 1's™ CourtSide™ polymer seat modules. Incorporating a unique fore to aft contoured seat and a gradual “waterfall” curve on the forward edge, they reduce pressure to the thighs regardless of leg position. Seat spacers with or without cup holders are also available.

Through a door as narrow as 32" (813mm) wide, MAXAM 1's™ portable bleachers can be moved to get your seating to where it's needed. You're not stuck with traditional bleachers. MAXAM 1's™ Portable Bleachers all over campus. Since it will even fit onto passenger elevators, you can easily move units from

## Hussey Seating Company™

The Hussey Seating Company story dates back to 1835 with William Hussey's tremendously successful plow design, and thus, the Hussey Plow Company was born. As times changed over the next sixty years, the family set about reinventing the business, evolving into the company that is now seating the world. Today, under the sixth generation of family leadership, Hussey Seating Company is proud to be known as the leading manufacturer of seating solutions throughout the world – in stadiums, arenas, schools, universities, colleges, places of worship and anywhere people gather.
